

Alexander Eye Centre

(a unit of health FIRST Hospital Network)

At Alexander Eye Centre we have seen over 2,50,000 patients and performed close to 15,000 surgeries to date. For the past **15 years**, treating **diabetic eye diseases** has been a specialty of Alexander Eye Centre.

As per American Academy of Ophthalmology guidelines, diabetic patients require a dilated eye check up every year. Alexander Eye Centre, a proponent of the AAO slogan “check yearly to see clearly” is well equipped to meet the needs of diabetic patients.
